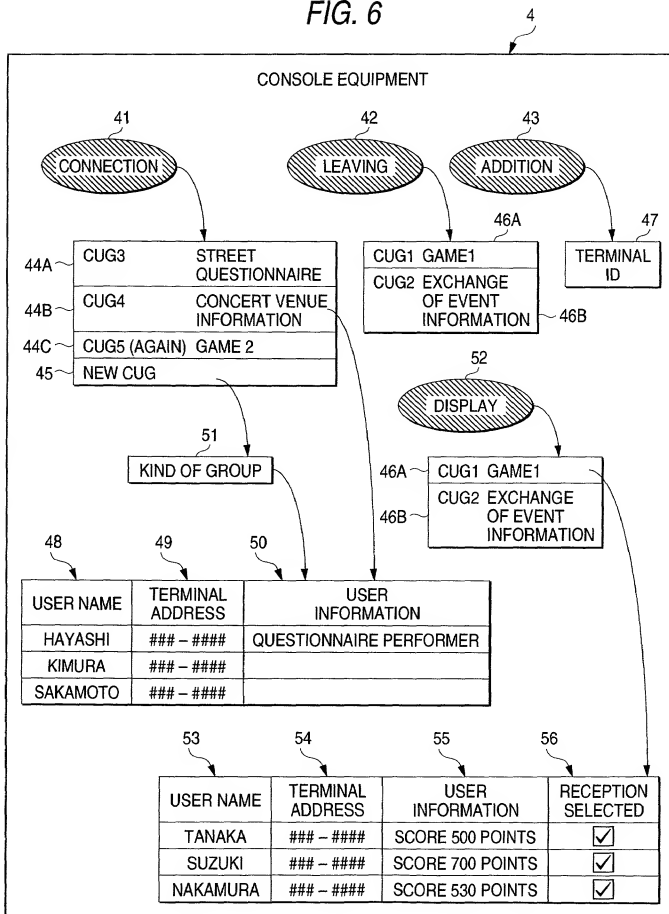

Diagram illustrating a table structure for a provisional terminal list. The table has three columns: USER NAME (261A), TERMINAL ADDRESS (262A), and USER INFORMATION (263A). The table contains four rows of data. The first row shows 'HAYASHI' as the user name, '### - ####' as the terminal address, and 'QUESTIONNAIRE PERFORMER' as the user information. The second row shows 'KIMURA' as the user name, '### - ####' as the terminal address, and an empty user information field. The third row shows 'SAKAMOTO' as the user name, '### - ####' as the terminal address, and an empty user information field. The fourth row is empty. A label 260A points to the table, indicating it is a 'PROVISIONAL TERMINAL LIST'.

261A USER NAME	262A TERMINAL ADDRESS	263A USER INFORMATION
HAYASHI	### - ####	QUESTIONNAIRE PERFORMER
KIMURA	### - ####	
SAKAMOTO	### - ####
